Government have sanctioned the opening of Standard VIII in this school in June 1955. There are two Secondary grade and six higher Elementary grade teachers in the schools. One Higher Elementary Grade teacher (among the Six Higher Elementary Grade) is prevocational instructor and the remaining seven teachers are in charge of one class each. The continuance of the post of one Secondary grade teacher sanctioned in connection with the opening of Standard VII and two Higher Elementary grade teachers sanctioned in G.O.3014 Agriculture Department dated 8-10-54 is necessary.

Fisheries Higher Elementary School at Chervathur.

This is a full fledged Higher Elementary School. The school has a staff of 3 Secondary Grade and 6 higher Elementary grade teachers. Eight teachers (3 secondary and 5 Higher Elementary grade) are each in charge of one class and the sixth Higher Elementary grade teacher is the prevocational instructor. The continuance of the post of one Secondary Grade teacher sanctioned in connection with the opening of Standard VIII is necessary.

Fisheries Higher Elementary School at Nattunda:. This is a full fledged Higher Elementary School having nine classes(standard I having two divisions). The school has a sanctioned staff of 3 secondary grade and 7 Higher Elementary Grade teachers. Each of the nine teachers (3 secondary and 6 Higher Elementary Grade) are in charge of one class and the seventh Higher Elementary Grade teacher is the previocational instructor. The continuance of the post of one Secondary grade teacher originally sanctioned in connection with the opening of Standard VIII in the school is therefore necessary.

Fisheries Elementary School at Mookur. This is a Lower Elementary School having five classes. The school was opened in 1952 with Standards I to III. Standard IV was opened in June 1953 and Standard V in June 1954. Only three Higher Elementary grade teachers were sanctioned first when the school was opened. Two more Higher Elementary Grade Teachers were sanctioned for handling standards IV and V. Out of the two additional posts of Higher Elementary Grade teachers sanctioned for the school, the Assistant Director appointed only one Higher Elementary grade teacher with effect from 3-12-1954. The remaining one post was not filled up. Standards I, II and III are handled by one teacher each and Standards IV and V are handled by one teacher. The Assistant Director now reports that the strength in standards IV and V are likely to be increased when the school reopens after summer vacation and hence five posts are necessary for the school.

It is submitted that in the place of five Higher Elementary grade teachers sanctioned for the school, sanction may be accorded to convert one Higher Elementary Grade as one Secondary grade teacher and to the appointment of one Sec.grade and four Higher Elementary grade teachers in the school. The appointment of one Secondary grade teacher is necessary for the school to work as head master and this is the approved procedure. The financial implications of the proposal will be as follows:-

Pay of one Secondary Grade teacher on Rs.45-3-60-2-90 per month.	Rs. 540--0--0
D.A to the Teacher at Rs.22/- p.m.	264--0--0
Special pay to the Headmaster at Rs.3/-p.m.	36--0--0
	840--0--0
Less Pay and allowances of One Higher Elementary grade teacher(pay Rs.30/- per month plus D.A.Rs.19/- per month.).	588--0--0
	252--0--0

I, therefore, request that Government may be pleased to accord sanction to the employment of the following staff upto 31-5-1956 from the date noted agsinst each.
